**OBJECTION TO CLAIM NO. 17588 FILED BY
LOGAN HOTELS AND RESORTS, MEXICO, S.A. de c.v. et al.**

TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. (“LBHI” or the “Plan Administrator”) as Plan Administrator pursuant to the *Modified Third Amended Joint Chapter 11 Plan of Lehman Brothers Holdings Inc. and its Affiliated Debtors* (the “Plan”) for the entities in the above referenced chapter 11 cases (collectively, the “Chapter 11 Estates”), files this objection to proof of claim number 17588 and respectfully represents as follows:

Relief Requested

1. The Plan Administrator files this objection seeking to disallow and expunge the proof of claim filed by Logan Hotels and Resorts, Mexico, S.A. de c.v. et al. (“Logan Hotels”) against LBHI (Claim No. 17588) (the “Logan Hotels Claim”) on the basis that LBHI does not have any liability for the claims asserted therein. The Logan Hotels Claim asserts

a claim for damages in the aggregate amount of \$102,399,662 that allegedly resulted from LBHI's alleged failure to fund a Loan (as defined below) to Logan Hotels in accordance with a Loan Agreement (as defined below).

2. LBHI had sold all of its rights and interests in the Loan prior to the funding requests. Consequently, LBHI is not liable in any respect for any damages that resulted from a failure to fund the Loan. Furthermore, the Loan Agreement includes a provision pursuant to which Logan Hotels waived consequential damages that might arise from any breach by LBHI. Accordingly, LBHI has no liability for any amounts asserted in the Logan Hotels Claim and, thus, the Plan Administrator requests that the Logan Hotels Claim be disallowed and expunged with prejudice.

Jurisdiction

3. This Court has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b).

Background

4. Commencing on September 15, 2008 and periodically thereafter, LBHI and certain of its subsidiaries commenced with this Court voluntary cases (the "Chapter 11 Cases") under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code"). The Chapter 11 Cases have been consolidated for procedural purposes only and are being jointly administered pursuant to the Rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules").

5. On December 6, 2011, the Court entered the order confirming the Plan [ECF No. 22737]. The Plan became effective on March 6, 2012 (the "Effective Date"). Pursuant to the Plan, the Plan Administrator is authorized to interpose and prosecute objections to claims filed against the Chapter 11 Estates.

Relief Requested

6. The Plan Administrator files this objection pursuant to section 502(b) of the Bankruptcy Code and Bankruptcy Rule 3007(d) and seeks to disallow and expunge the Logan Hotels Claim on the basis that LBHI has no liability for such claim.

The Loan

7. On July 21, 2006, LBHI entered into a loan agreement with Logan Hotels,¹ Albert Maes, Logan International, LLC and Logan Hotels & Resorts Development Co. PTE. LTD. (as amended, the “Loan Agreement”). Pursuant to the Loan Agreement, LBHI agreed to fund loan advances to Logan Hotels up to the aggregate amount of \$68,000,000 (the “Loan”), to be used in the development of a parcel of land located in the city of Los Cabo, Baja California Sur, Mexico (the “Property”). A copy of the Loan Agreement (without exhibits) is attached hereto as Exhibit A.

8. The Loan Agreement provides for advances to be made over time as requested by Logan Hotels. LBHI’s disbursement of funds under the Loan were to be made in accordance with an agreed upon budget for, among other things, the acquisition of the Property and other project related expenses incurred in development of the Property. LBHI made the initial advance under the Loan on July 21, 2006, and from such date until on or about May 1, 2007, LBHI funded the aggregate amount of approximately \$49,461,031 under the Loan. On May 1, 2007, LBHI assigned all of its interests in and obligations under the Loan Agreement to Lehman Commercial Paper Inc. (“LCPI”).

9. The Loan Agreement includes a provision prohibiting Logan Hotels from assigning or transferring the Property without first obtaining the prior written consent of LBHI.

¹ Logan Hotels, as borrower, was later joined by Cabo San Lucas Cristobal Golf Resorts, S.A. de C.V.

See Loan Agreement §15.1. Section 15.1 of the Loan Agreement further provides that LBHI, as lender, in its sole discretion, may withhold consent of any assignment or transfer of the Property by Logan Hotels. *Id.*

10. In the Loan Agreement, Logan Hotels agreed to limit the damage claims that it could assert against LBHI, as lender, for any breach by LBHI of its obligations thereunder. Specifically, section 20.10 of the Loan Agreement provides, in pertinent part, as follows:

Section 20.10 Waiver of Damages

In no event shall Lender be liable to Borrower for punitive, exemplary or consequential damages, including, without limitation, lost profits, whatever the nature of a breach by Lender of its obligations under this Agreement or any of the Loan Documents, and Borrower for itself and Guarantor waives all claims for punitive, exemplary or consequential damages.

Loan Agreement, §20.10.

The Master Repurchase Agreements

11. On May 1, 2007, LCPI, as seller, and State Street, acting as agent on behalf of certain principals, entered into a Master Repurchase Agreement (the “State Street MRA”). The State Street MRA established an arrangement pursuant to which LCPI could transfer certain types of assets to State Street for an agreed purchase price with a simultaneous agreement by LCPI to repurchase the assets from State Street at a later date for an agreed repurchase price. To facilitate the arrangements detailed in the State Street MRA, State Street, LCPI and the Bank of New York (the “BNY”) entered into a Tri-Party Custody Agreement dated May 1, 2007 (the “Custody Agreement”).

12. On July 3, 2007, State Street and LCPI entered into a single transaction under the State Street MRA, memorialized in a July 2007 confirmation letter (the “State Street Purchase Letter”), pursuant to which State Street purchased from LCPI a pool consisting of 37

commercial loans and attendant servicing rights (the “Purchased Assets”) in exchange for \$1 billion. In accordance with the Custody Agreement, BNY transmitted to State Street daily reports that identified the specific commercial loans that had been purchased by State Street and comprised State Street’s pool of Purchased Assets. The Loan was included on such reports. Pursuant to the State Street MRA and the Custody Agreement, State Street was owner of the Purchased Assets and had sole control over such assets, subject only to certain repurchase, income, and substitution rights held by LCPI. Under the terms of the State Street MRA, LCPI was entitled to receive all income generated by the Purchased Assets and remained obligated to repurchase the Purchased Assets at a future date.

13. Pursuant to the State Street Purchase Letter, LCPI was required to make fixed payments to State Street. Between September 10, 2008 and September 16, 2008, LCPI was unable to make such payments. On September 17, 2008 (the “Default Date”), State Street notified LCPI in writing that an event of default had occurred under the State Street MRA (the “LCPI Default Notice”). On the same day, State Street advised BNY that there had been an event of default (the “BNY Default Notice”). Copies of the LCPI Default Notice and the BNY Default Notice are attached hereto as Exhibits B and C, respectively. As of the Default Date, Logan Hotels had made twenty one draws under the Loan in the aggregate amount of \$66,445,079.87.

14. On September 18, 2008, after the Default Date, Logan Hotels issued a request for the twenty-second draw in the amount of \$790,911.55 (the “September Draw Request”). A copy of email correspondence from TriMont notifying LBHI of the September Draw Request is attached hereto as Exhibit D. On October 20, 2008, Logan Hotels issued a request for the twenty-third and final draw in the amount of \$764,008.58 (the “October Draw”).

Request” and, together with the September Draw Request, the “Draw Requests”). A copy of the cover email enclosing the October Draw Request is attached hereto as Exhibit E. Both Draw Requests were submitted after State Street acquired ownership of the Loan.

15. On September 25, 2008, State Street provided written notice to TriMont that an event of default occurred under the State Street MRA and, as a result, State Street had exercised its remedies and taken possession and control of the Purchased Assets (the “TriMont Notice”). A copy of the TriMont Notice is attached hereto as Exhibit F. TriMont was further informed that, although it would continue to service the Purchased Assets, it would serve as agent for State Street rather than LCPI. Accordingly, TriMont ceased acting for or on behalf of LCPI and serviced the Loan solely upon the instruction of and as agent for State Street.

The Purchase Agreements

16. In the Spring of 2008, Logan Hotels commenced discussions with certain third party purchasers with respect to proposed transfers of portions of the Property. Upon information and belief, LBHI was advised by Logan Hotels of its intent to enter into three identical purchase and sale agreements (collectively, the “Purchase Agreements”) memorializing the conditions for the transfer of the Property with RCR, S.A. de C.V., SLLC, S.A. de C.V. and PHLC, S.A. de C.V., respectively. In accordance with section 15.1 of the Loan Agreement, Logan Hotels required LBHI’s authorization to execute the Purchase Agreements. When Logan Hotels requested LBHI’s consent, LBHI, in the exercise of its discretion, declined to provide such consents.

The Logan Hotels Claim

17. The Logan Hotels Claim asserts, among other things, that LBHI’s failure to fund the Draw Requests in the aggregate amount of \$1,554,920.13, as well as its failure to

approve the Purchase Agreements, resulted in “significant damages and losses estimated at no less than \$102,339,662.” *Logan Hotel Claim*, ¶ 6. The Logan Hotels Claim asserts the following damages, most of which are merely speculative and substantially all of which can be categorized as consequential damages:

- Loss on the sales of the hotels.
- Loss on the sales of the hotels’ land parcels.
- Costs related to the pre-engineering of the hotels.
- Legal fees incurred in connection with the hotel management agreements.
- Profit lost in connection with development of hotels.
- Losses incurred mitigating damages after LBHI’s alleged default and during pre-negotiations with State Street.
- Carrying costs incurred by Logan Hotels to cover organizational costs.
- Losses in connection with termination of staff.
- Losses resulting from the complete termination of the project.
- Loss of equity.
- Loss of the investment in the office building.
- Loss for the dismantling of the companies’ group structure.
- Losses associated with contract penalties.
- Profit lost in connection with horizontal development.
- Damages and losses for “other considerations.”
- Loss of time and opportunities.
- Loss of credibility.
- Profit lost in connection with vertical development.

The Logan Hotels Claim Should Be Disallowed and Expunged

18. A filed proof of claim is “deemed allowed, unless a party in interest objects.” 11 U.S.C. § 502(a). If an objection refuting at least one of the claim’s essential allegations is asserted, the claimant has the burden to demonstrate the validity of the claim. *See In re Oneida, Ltd.*, 400 B.R. 384, 389 (Bankr. S.D.N.Y. 2009); *In re Adelphia Commc’ns Corp.*, No. 02-41729 (REG), 2007 Bankr. LEXIS 660 at *15 (Bankr. S.D.N.Y. Feb. 20, 2007); *In re Rockefeller Ctr. Props.*, 272 B.R. 524, 539 (Bankr. S.D.N.Y. 2000). Section 502(b)(1) of the Bankruptcy Code provides, in relevant part, that a claim may not be allowed to the extent that “such claim is unenforceable against the debtor and property of the debtor, under any agreement

or applicable law.” 11 U.S.C. § 502(b)(1). Logan Hotels has not satisfied its burden to demonstrate that it is entitled to collect any amounts under the Logan Hotels Claim from LBHI.

19. The damages asserted in the Logan Hotels Claim arise as a consequence of the alleged failure to fund advances of approximately \$1.5 million under the Loan Agreement and LBHI withholding consent to the execution of the Purchase Agreements. *Logan Hotels Claim*, ¶¶ 4 and 6. The Logan Hotels Claim is invalid because (i) neither LBHI nor any of the other Chapter 11 Estates had an obligation to fund the Draw Requests; (ii) the Loan Agreement provides LBHI, as lender, with the sole discretion to withhold consent to any transfer of the Property; and (iii) the Loan Agreement prohibits Logan Hotels from asserting any consequential damages that may arise from any breach by LBHI of the Loan Agreement.

20. As of the Default Date and pursuant to the terms of the State Street MRA, State Street had taken possession of the Purchased Assets, including the Loan. Indeed, Logan Hotels acknowledges receipt of notice that State Street owned the Loan, effective as of September 17, 2008. *Logan Hotels Claim*, ¶ 3. The transfer of ownership of the Loan took place before Logan Hotels submitted the Draw Requests. Consequently, neither LBHI nor any of the Chapter 11 Estates were obligated to advance any funds pursuant to the Draw Requests.

21. The Logan Hotels Claim asserts damages as a result of LBHI’s refusal to authorize execution of the Purchase Agreements. LBHI, in an exercise of its sound business judgment, refused to authorize the transfer of the Property absent certain revisions to the Purchase Agreements that would protect its interests. The Loan Agreement explicitly provides LBHI with authority to withhold consent of any assignment or transfer in its sole discretion. Accordingly, LBHI’s refusal to provide its consent was not a breach of the Loan Agreement and cannot be the predicate for any damage claim.

22. Black's Law Dictionary defines consequential damages as "[l]osses that do not flow directly and immediately from an injurious act but that result indirectly from the act." Black's Law Dictionary (9th ed. 2009). The Logan Hotels Claim seeks more than \$100 million in damages that allegedly arise from a failure to fund approximately \$1.5 million in advances. The damages asserted in the Logan Hotels Claim are barred by the waiver of consequential damages set forth in section 20.10 of the Loan Agreement. Accordingly, Logan Hotels is not entitled to collect any amounts on the Logan Hotels Claim.

23. The Plan Administrator has examined the Logan Hotels Claim and has determined that, for all of the foregoing reasons, such claim should be disallowed and expunged on the basis that it provides no basis of liability as to LBHI or any of the Chapter 11 Estates. Accordingly, the Plan Administrator respectfully requests that the Court enter an order disallowing and expunging the Logan Hotels Claim in its entirety.

Reservation of Rights

24. The Plan Administrator reserves all rights to object on any other basis to the Logan Hotels Claim in the event that the relief requested herein is not granted.

Notice

25. No trustee has been appointed in these chapter 11 cases. Notice of this objection to the Logan Hotels Claim has been provided to (i) the United States Trustee for Region 2; (ii) the Securities and Exchange Commission; (iii) the Internal Revenue Service; (iv) the United States Attorney for the Southern District of New York; (v) Logan Hotels; and (vi) all other parties entitled to notice in accordance with the procedures set forth in the second amended order entered on June 17, 2010, governing case management and administrative procedures for these cases [ECF No. 9635]. The Plan Administrator submits that no other or further notice need be provided.

26. No previous request for the relief sought herein has been made by the Plan Administrator or the Chapter 11 Estates to this or any other Court.

WHEREFORE the Plan Administrator respectfully requests entry of an order granting the relief requested herein and such other and further relief as is just.

(l) The Post Closing Undertaking.

Section 4.3 Term of the Loan.

(a) All principal, interest and other sums due under the Loan Documents (including the Additional Fee) shall be due and payable in full on the Maturity Date.

(b) Borrower may elect to extend the Maturity Date for one additional term of one year (the "Extension Period"), subject to the satisfaction of each of the following conditions:

(i) Borrower furnishes Lender with not less than sixty (60), but not more than one hundred twenty (120), days' advance written notice of its election to extend the Maturity Date (the "Extension Notice");

(ii) Together with the Extension Notice, Borrower shall pay to Lender an extension fee in an amount equal to one percent (1%) of the unpaid principal balance of the Loan as of the date of the Extension Notice.

(iii) Upon the date of the Extension Notice and the commencement of the Extension Period, no Default or Event of Default may exist under this Agreement or any of the other Loan Documents;

(iv) Upon the commencement of the Extension Period, Borrower shall have paid to Lender an amount which, when aggregated with all principal and/or interest payments theretofore made on account of the Loan or any Mezzanine Loan, equals Fifty Million Dollars (\$50,000,000), for application in the Order of Priority;

(vi) Borrower Parties execute and deliver to Lender a reaffirmation of the Repayment Guaranties;

(vii) Borrower causes Title Insurer to deliver to Lender an endorsement to the Title Policy, insuring Lender's interest as first place beneficiary under the Trust Agreement, subject only to the Permitted Exceptions; and

(viii) Borrower causes UCC Title Insurer to deliver to Lender an endorsement to the UCC Policy, insuring Lender's first priority security interest in the collateral under the Pledge Agreements.

(c) Borrower shall not be entitled to any further disbursements of Loan proceeds during the Extension Period

Section 4.4 Prepayments.

Other than in connection with partial releases of the lien of the Trust Agreement as provided in Article 16 hereof below, or as a result of a condemnation or casualty as provided in the Trust Agreement, and prepayments made in connection with extensions of the Loan in accordance with the provisions of Section 4.3(b) above, partial prepayments of the Loan are not permitted. Subject to the foregoing, Borrower may prepay the Loan in whole only upon not less than thirty (30) days' written notice to Lender, provided that any such prepayment must occur on a Payment Date. No prepayment of the Loan in whole shall be permitted unless the same is accompanied by (i) all interest and other amounts accrued on the Loan through the date of prepayment, (ii) reasonable attorneys' fees reasonably incurred by Lender as a result of the prepayment and (iii) the Additional Fee.

Section 4.5 Late Charge.

Any amount due hereunder or under the other Loan Documents which remains unpaid more than ten (10) days after the date said amount was due and payable shall incur a fee (a "Late Charge") of five percent (5%) of said amount, which payment shall be in addition to all of Lender's other rights and remedies under the Loan Documents. Notwithstanding the foregoing, Lender shall not assess a Late Charge in respect of any installment of (x) Deferred Interest or (y) interest to be paid from the Interest Reserve, if any, in accordance with the terms of Section 10.4 hereof, so long as (i) no Event of Default exists, (ii) no dispute exists in respect of amounts to be disbursed for the payment of interest from the Interest Reserve, if any, and (iii) if applicable, adequate funds are on deposit in the Interest Reserve.

ARTICLE V
INTEREST AND ADDITIONAL FEE

Section 5.1 Interest Rate.

(a) Interest shall accrue on the Loan at the Interest Rate.

(b) Interest in arrears at the Interest Rate shall be payable on each Payment Date. Notwithstanding the foregoing, unless funds are available for payment of interest on any Payment Date by reason of the application of amounts in the Order of Priority in accordance with the provisions of Section 4.4. or Article 16 hereof, interest at the Interest Rate shall be deferred on each Payment Date, whereupon such deferred interest shall itself bear interest at the Interest Rate (such deferred interest and the interest thereon, collectively, "Deferred Interest").

(c) All payments (whether of principal, interest or any other amount payable hereunder) shall be deemed credited to Borrower's account only if received by 2:00 p.m. (New York time) on a Business Day; otherwise, such payment shall be deemed received on the next Business Day.

(d) Interest on the outstanding principal balance of the Loan shall be calculated by multiplying (i) the actual number of days elapsed in the period for which the calculation is being made by (ii) a daily rate based on a three hundred sixty (360) day year by (iii) the outstanding principal balance of the Loan.

(e) The Loan shall bear interest at the Default Rate at any time during which an Event of Default exists.

Section 5.2 Additional Fee.

Borrower shall pay to Lender, in addition to interest and other amounts due hereunder, the Additional Fee. The Additional Fee shall accrue and be fully earned on the Effective Date, and shall be payable, subject to the Order of Priority, (i) on the Maturity Date or the earlier repayment of all or any portion of the Loan by acceleration or otherwise, (ii) upon any extension of the Loan, as provided in Section 4.3(b) hereof and (iii) upon any partial release of the lien of the Trust Agreement, as provided in Article 16 hereof. The Additional Fee shall remain payable in respect of any portion of the Loan converted into a Mezzanine Loan, as provided in Article 16 hereof. For illustrative purposes only, sample calculations of the Additional Fee payable under the circumstances enumerated above are set forth in Exhibit D annexed hereto.

ARTICLE VI
LOAN EXPENSE AND ADVANCES

Section 6.1 Loan and Administration Expenses.

Borrower shall reimburse Lender, from time to time upon five (5) days' demand therefor, for reasonable, out-of-pocket expenses incurred by Lender in connection with the Loan, including all amounts payable pursuant to Sections 6.2 and 6.3 hereof and any and all other fees owing to Lender pursuant to the Loan Documents, and also including, without limitation, (i) all recording, filing and registration fees, (ii) all fees of the Trustee under the Trust Agreement, (iii) mortgage or documentary taxes, (iv) insurance premiums, title insurance premiums and other charges of Title Insurer or UCC Title Insurer, (v) premiums and fees payable in connection with the UCC Policy and the Title Policy, (vi) survey fees and charges, (vii) cost of premiums on surety company bonds, (viii) appraisal fees, (ix) insurance consultant's fees, (x) Lender's Consultant's fees, (xi) environmental consultant's fees and (xii) travel-related expenses. Further, if any Default or Event of Default occurs or if the Loan is not paid in full when and as due, Borrower shall pay to Lender upon seven (7) days' demand therefor, all costs and expenses of Lender (including, without limitation, reasonable attorneys' fees and court costs) incurred in attempting to enforce payment of the Loan or to realize upon the security therefor. Borrower agrees to pay Lender's fees and disbursements incurred in connection with title updates and title endorsements ordered by the Lender in connection with each disbursement of Loan proceeds.

Section 6.2 Brokerage Fees.

Borrower shall pay all brokerage, finder or similar fees or commissions payable in connection with the transactions contemplated hereby and shall indemnify and hold Lender harmless against all claims, liabilities, costs and expenses (including attorneys' fees and expenses) incurred in relation to any claim by any broker, finder or similar person; provided however, as an inducement to Borrower to make the foregoing undertaking, Lender represents to Borrower that Lender has not dealt with any broker, finder or similar person in connection with this Loan.

Section 6.3 Protective Advances.

If Borrower fails to perform any of Borrower's covenants, agreements or obligations contained in this Agreement or any of the other Loan Documents (after the expiration of applicable grace periods, except in the event of an emergency or other exigent circumstances), Lender may (but shall not be required to) perform any of such covenants, agreements and obligations, and any amounts expended by Lender in so doing shall be added to the Debt and bear interest at the Default Rate.

ARTICLE VII
CONDITIONS TO THE MAKING OF THE LOAN

Section 7.1 Conditions Precedent.

Lender's obligation to fund the Initial Advance and thereafter to make any further disbursements of the Loan is conditioned upon Borrower's satisfaction of the following conditions precedent in form and substance satisfactory to Lender:

(n) The grantor and Borrower shall have mutually executed and delivered to each other a deed of transfer in a form acceptable to Lender.

ARTICLE VIII CONDITIONS PRECEDENT TO THE FIRST DISBURSEMENT FOR CONSTRUCTION COSTS

Section 8.1 Required Construction Documents.

In addition to satisfying the requirements set forth in Article XI hereof, Borrower shall, as a condition to the first disbursement of proceeds of the Loan for Construction costs, submit each of the following to Lender, each of which shall be satisfactory to Lender in its sole discretion (except where otherwise expressly provided).

(a) Fully executed copies of: (i) the General Contract, if any, in respect of the Construction, (ii) Major Contracts (including, without limitation, engineer's contracts) (iii) any contract with an Architect, if applicable. With respect to the Original Improvements, Lender agrees to not unreasonably withhold or delay its approval of the foregoing;

(c) When Lender so requests, for Construction not constituting Original Improvements, a schedule of values, including a trade payment breakdown, setting forth a description of all Construction Contracts;

(d) Evidence that the Project has been approved by the Mexican Federal Ministry of the Environment and Natural Resources ("SEMARNAT") and all other Governmental Authorities, including, without limitation, evidence that the Land has been rezoned from forestry and vegetation ("forestal") use to recreational tourist real estate use;

- (e) The Archeological Report;
- (f) All Permits then required in respect of the Construction contemplated at the time in question;
- (g) When Lender so requests, for Construction not constituting Original Improvements, Plans and Specifications;
- (h) One or more payment, performance and/or other bonds (as specified by Lender) in favor of Lender, guaranteeing the obligations of a contractor under a Major Contract;
- (i) A Construction Schedule;
- (j) When Lender so requests, for Construction not constituting Original Improvements, a report from Lender's Consultant which contains an analysis (to the extent applicable) of Plans and Specifications, the Overall Budget, the Construction Schedule, the General Contract and all Construction Contracts. Such report shall contain (i) an analysis demonstrating the adequacy of the Overall Budget to complete the Improvements and (ii) a confirmation that the Construction Schedule is realistic. When Lender so requests, for Construction not constituting Original Improvements, Lender's Consultant shall monitor construction of the Improvements and shall visit the site at least one (1) time each month, and shall certify as to amount of Construction costs for all requested advances. Borrower shall reimburse Lender from time to time for costs incurred by Lender in connection Lender's Consultant's performance of the foregoing;
- (k) The Architect's Certificate, executed by the Architect or an engineer as applicable;
- (l) Consents from the General Contractor (if there is one), the Architect (if there is one) and of all contractors and engineers who are parties to Major Contracts, as well as other Persons reasonably specified by Lender, to the collateral assignment by Borrower to Lender of construction documents, as set forth in the Omnibus Assignment; and
- (m) Such other materials and documents as Lender may reasonably require with respect to the Construction, which other materials and documents may, with respect to the Original Improvements, include items listed above that are not required (under foregoing clauses (a) through (l)) to be provided for the Original Improvements, provided that Lender's demand therefor must be reasonable.

ARTICLE IX OVERALL BUDGET

Section 9.1 Overall Budget.

Disbursements of the Loan shall be governed by the Overall Budget. The Overall Budget shall include, in addition to the Budget Line Items described in Section 9.2 below, the Contingency Reserve and the Tax and Insurance Reserve. Borrower shall not modify the Overall Budget without first obtaining Lender's prior written consent thereto.

Section 9.2 Budget Line Items.

(a) The Overall Budget includes as line items ("Budget Line Items") all Hard Costs and Soft Costs. Subject to paragraph (b) below, all Loan proceeds disbursed by Lender shall be used only for the Budget Line Items for which such proceeds were disbursed.

(b) Lender shall not be obligated to disburse any amount for any category of costs set forth as a Budget Line Item which is greater than the amount set forth for such category in the applicable Budget Line Item. Borrower shall pay as they become due all amounts set forth in the Overall Budget with respect to costs to be paid by Borrower. If any Budget Line Item shall be completed without the expenditure of all amounts in the Overall Budget allocated to such Budget Line Item, Borrower may reallocate the savings, provided that: (i) Lender shall have theretofore approved a revised Overall Budget reflecting the reallocation of Budget Line Items; (ii) no Budget Line Item for Hard Costs shall be reallocated to pay any Budget Line Item for Soft Costs until Borrower has paid all Hard Costs and completed the Improvements; and (iii) amounts shall not be reallocated from the Tax and Insurance Reserve and/or (subject to Section 9.3) the Contingency Reserve. Further, subject to the provisions of clauses (i) through (iii) above, Borrower may reallocate savings between unfinished Budget Line Items, provided that Lender determines in good faith, in its sole discretion, that such reallocation shall not result in an increase in the Overall Budget or otherwise cause the Overall Budget or any Budget Line Item to be out of Balance. Nothing in the foregoing portion of this paragraph (b) shall, in and of itself, require Lender's approval for a reallocation from one Budget Line Items for Soft Costs to another Budget Line Item for Soft Costs.

Section 9.3 Contingency Reserve.

The Overall Budget contains a Budget Line Item for additional, unforeseen costs and expenses (the "Contingency Reserve"). Borrower may from time to time request that Lender permit the reallocation of portions of the Contingency Reserve to pay costs of the Improvements for which amounts remaining in any Budget Line Item are insufficient. Borrower agrees that the decision with respect to utilizing portions of the Contingency Reserve in order to keep the Loan in Balance shall be made by Lender in its sole good faith discretion, and that Lender may require Borrower to make a Deficiency Deposit even if funds remain in the Contingency Reserve.

Section 9.4 Tax and Insurance Reserve.

The Overall Budget contains Budget Line Items for payment of Taxes and Insurance Premiums (the "Tax and Insurance Reserve"). Borrower hereby authorizes Lender from time to time, for the mutual convenience of Lender and Borrower, to disburse Loan proceeds to pay Taxes and Insurance Premiums, to the extent then due and payable, regardless of whether Borrower shall have specifically requested disbursement of such amount. Any such disbursement, if made, shall be added to the outstanding principal balance of the Note and shall, when disbursed, bear interest at the Interest Rate. The authorization hereby granted, however, shall not obligate Lender to make disbursements of the Loan for Taxes and Insurance Premiums, unless Borrower requests, and qualifies for, disbursement of the portion of the Overall Budget allocated therefor.

ARTICLE X
SUFFICIENCY OF LOAN

Section 10.1 Loan In Balance.

Anything contained in this Agreement to the contrary notwithstanding, the Loan shall at all times remain in Balance, on a Budget Line Item basis and in the aggregate. A Budget Line Item shall be deemed to be in "Balance" only if Lender, in its sole discretion, determines that the amount of such Budget Line Item is sufficient for its intended purpose. The Loan shall be deemed to be in Balance in the aggregate only when the total of the undisbursed portion of the Loan less the Contingency Reserve equals or exceeds the aggregate of: (i) the costs required to complete the Construction in accordance with this Agreement and with the Plans and Specifications, if applicable, and the Overall Budget; (ii) the amounts to be paid as retainages to Persons who have supplied labor or materials to the Project; (iii) the amount required to pay interest on the Loan and the Mezzanine Loans, if any, through the Maturity Date; (iv) the amount required to pay Taxes and Insurance Premiums and through the Maturity Date and (v) all other Hard Costs and Soft Costs not yet paid for in connection with the Project, as such costs and amounts described in clauses (i) through (v) above may be estimated and/or approved in writing by Lender from time to time. If, in Lender's sole discretion, either any Budget Line Item or the aggregate amount of the undisbursed portion of the entire Loan is insufficient for such purpose, Borrower shall, within ten (10) days after written request by Lender, deposit the deficiency with Lender (a "Deficiency Deposit"). The Deficiency Deposit shall first be exhausted before any further disbursement of the applicable Loan proceeds shall be made. Any Deficiency Deposit remaining after a particular Budget Line Item or the Loan, as the case may be, is back in Balance shall be returned to Borrower. Lender shall not be obligated to make any Loan disbursements if and for as long as the Loan is not in Balance.

ARTICLE XI
CONSTRUCTION PAYOUT REQUIREMENTS

Section 11.1 Documents to be Furnished for Each Disbursement.

As a condition precedent to each disbursement of Loan proceeds (other than the Initial Advance), Borrower shall furnish or cause to be furnished to Lender the following documents covering such disbursement, in form and substance satisfactory to Lender:

- (a) A Requisition, duly executed by an Authorized Representative;
- (b) An AIA form of cost certification, executed by the General Contractor or (if there is no General Contractor) another Person designated by Lender, as to all Hard Costs included within the request for disbursement (all of which costs shall have been verified by Lender or (if applicable) Lender's Consultant);
- (c) Such invoices, contracts or other information as Lender may require to evidence that Borrower has incurred all costs covered by the request for disbursement;

(d) Paid receipts or other proof of payment (including, with respect to Hard Costs, lien waivers or the equivalent) of all Construction costs covered by the prior disbursement of the Loan;

(e) An endorsement to the Title Policy though the date of the disbursement, confirming Lender's position first place beneficiary under the Trust Agreement, subject only to the Permitted Exceptions;

(f) Copies of any Change Orders executed since the date of the last disbursement;

(g) Copies of all Construction Contracts which have been executed since the last disbursement;

(h) All Permits then required in respect of the Construction; and

(i) Such other instruments, documents and information as Lender or Title Insurer shall require in their sole good faith discretion.

Section 11.2 Retainage.

At the time of each disbursement of Loan proceeds, ten percent (10%) of the total amount then due the General Contractor (if applicable) and the various contractors under the Construction Contracts for Hard Costs shall be withheld from the amount disbursed. The retained amounts will be disbursed only at the time of the final disbursement of Loan proceeds pursuant to Article 12 hereof. Notwithstanding the foregoing, Lender shall disburse to Borrower retained amounts in respect of any trade itemized in the Overall Budget if Lender determines, in its reasonable discretion, that such trade has been completed for not less than ninety (90) days, provided, however, that until the final disbursement of Loan proceeds pursuant to Article 12 hereof, in no event shall retained amounts equal less than five percent (5%) of Hard Costs theretofore advanced by Lender.

ARTICLE XII
FINAL DISBURSEMENT FOR CONSTRUCTION COSTS

Section 12.1 Final Disbursement for Construction Costs.

Lender will advance to Borrower the final disbursement for costs of Construction including retainage when the following conditions have been satisfied, provided that all other conditions in this Agreement for disbursements have also been satisfied:

(a) There shall exist no Default or Event of Default;

(b) The Improvements have been substantially completed in substantial accordance with this Agreement and, if applicable, the Plans and Specifications, free and clear of construction liens and security interests, and otherwise in accordance with this Agreement;

(c) Borrower shall have furnished Lender with a certificate from the Architect or (if there is no Architect) another Person designated by Lender stating that (i) the Improvements have been substantially completed in accordance with the Plans and Specifications (to the extent applicable) and otherwise in accordance with this Agreement, and (ii) the Improvements, as so substantially, completed comply with Laws and any requirements imposed by SEMARNAT in connection with its approval of the Project; and

(d) If applicable, Lender shall have received a certificate from Lender's Consultant for the sole benefit of Lender that the Improvements have been substantially completed in accordance with this Agreement and, if applicable, the Plans and Specifications.

Section 12.2 Retainage.

Notwithstanding the provisions of Section 12.1 hereof, the disbursement of the retainage shall be subject to the retention of such sums as Lender's Consultant (if any) shall determine are necessary to assure full completion of punch-list items. Upon the completion of such punch-list items, Lender shall disburse any remaining retainage to Borrower. If there is no Lender's Consultant, such determination may be made by Lender.

ARTICLE XIII COVENANTS

Section 13.1 Certain Covenants.

(a) Inspections. Borrower will, cooperate with Lender in arranging for inspections by Lender or representatives of Lender (and/or Lender's Consultant (if applicable)) of the Property and the books and records of Borrower.

(b) Construction of the Improvements. Borrower shall commence Construction on or before the Commencement Date. Borrower shall perform the Construction in a good and workmanlike manner with materials of high quality and in substantial accordance with the Plans and Specifications (if applicable). Borrower shall prosecute the Construction with due diligence and continuity in accordance with the Construction Schedule (if applicable) and shall substantially complete the Construction before the Completion Date.

(c) Change Orders. No changes will be made to the Plans and Specifications (if applicable) (any such change, a "Change Order") without the prior written approval of Lender; provided, however, that Borrower may make changes to the Plans and Specifications without Lender's consent if (i) Borrower notifies Lender in writing of such change within five (5) Business Days thereafter; (ii) Borrower obtains the approval of all parties whose approval is required, including sureties and Governmental Authorities; (iii) the structural integrity of the Improvements is not impaired; (iv) no material change in architectural appearance is effected; and (v) the cost of or reduction resulting from such change (x) does not exceed \$50,000 and (y) when added to all other changes which have not been approved by Lender in writing, the resulting aggregate cost or reduction does not exceed \$250,000. Changes in the scope of Construction or to any Construction Contract shall be documented with a Change Order on the AIA Form G701.

(d) Liens. Borrower will not suffer or permit any lien claims to be filed or otherwise asserted against the Property, and will promptly discharge the same in case of the filing of any claims for lien or proceedings for the enforcement thereof, provided, however, that Borrower may contest in good faith and with reasonable diligence the validity of any such lien or claim, provided that Borrower posts a statutory lien bond which removes such lien from title to the Property within forty (40) days after Borrower's receipt of written notice thereof. Lender will not be required to make any further disbursements of the proceeds of the Loan until any lien claims have been removed (by payment or by posting a bond) and Lender may, at its option, restrict disbursements to reserve sufficient sums to pay 150% of the lien. If Borrower shall fail timely to (i) discharge any such lien or (ii) post a statutory lien bond, Lender may, at its election (but shall not be required to), procure the release and discharge of such lien and any judgment or decree thereon and, further, may in its sole discretion, settle or compromise the same, or may furnish such security or indemnity as Title Insurer shall require to insure Lender against the enforcement thereof, and any amounts so expended by Lender shall be added to the Debt. In settling, compromising or discharging any claims for lien, Lender shall not be required to inquire into the validity or amount of any such claim.

(e) Payment of Taxes. Borrower shall pay all Taxes and assessments and charges of every kind upon the Property before the same become delinquent, provided, however, that Borrower may pay such tax under protest or to otherwise contest any such tax or assessment, but only if (i) such contest has the effect of preventing the collection of such taxes so contested and also of preventing the sale or forfeiture of the Property or any part thereof or any interest therein, (ii) Borrower has notified Lender of Borrower's intent to contest such taxes and (iii) Borrower has deposited security for the payment of contested taxes in form and amount reasonably satisfactory to Lender. If Borrower fails to commence such contest or, having commenced to contest the same, thereafter fails to prosecute such contest in good faith or with due diligence, or, upon adverse conclusion of any such contest, shall fail to pay such tax, assessment or charge, Lender may, at its election (but shall not be required to), pay and discharge any such tax, assessment or charge, and any interest or penalty thereon, and any amounts so expended in excess of any security posted by Borrower shall be added to the Debt and bear interest at the Default Rate. Borrower shall furnish Lender with evidence that taxes are paid at least ten (10) days prior to the last date for payment of such taxes and before imposition of any penalty or accrual of interest. Notwithstanding the foregoing, Lender shall not assert a default for failure to pay Taxes, provided that (x) there exists no Event of Default and (y) adequate funds for the payment of Taxes and Insurance Premiums exist in the Tax and Insurance Reserve.

(f) Personal Property. Borrower shall keep all Personal Property incorporated in the Project free of all liens, encumbrances and security interests, other than the liens, encumbrances and security interests in favor of Lender created by the Loan Documents.

(g) Leases. Without the prior written consent of Lender, Borrower shall not (i) enter into any Lease of all or any portion of the Property, (ii) materially modify or terminate (other than by reason of a default by the tenant thereunder) any Lease of any portion of the Property or (iii) accept any rental payment in advance of one month of its due date. Borrower shall deposit all security deposits under Leases in a segregated account with a financial institution reasonably acceptable to Lender.

(h) Construction Contracts. Borrower shall not enter into, or materially modify, any Major Contract, or cause any modification of any Permit or Entitlement, unless Borrower shall theretofore obtain Lender's prior written consent thereto, which consents, in the case of contracts, Permits or Entitlements pertaining to the Original Improvements, shall not be unreasonably withheld or delayed. Promptly following receipt of any new Permit or Entitlement, or of any amendment or change to any Permit or Entitlement, and promptly after its execution or modification of any Construction Contract, Borrower shall furnish Lender with a copy of each item. Among other things, each Major Contract must contain a consent of the type described in Section 8.1(l); provided, further, that not more than \$500,000 in aggregate contract price may be attributed to Construction Contracts that do not contain such a consent. Borrower shall timely perform its obligations under each Construction Contract. Promptly following its receipt thereof, Borrower shall furnish Lender with a copy of any material notice received or delivered by Borrower in respect of any Construction Contract, including, without limitation, any notice of default.

(i) Appraisals. Lender may obtain a new or updated Appraisal of the Property from time to time. Borrower shall cooperate with Lender in this regard. Notwithstanding the foregoing, Lender shall not obtain a new or updated Appraisal more than once in any twelve (12) month period, unless either (i) an Event of Default exists or (ii) such Appraisal is then required under the terms of this Agreement. Borrower shall reimburse Lender upon demand for the cost of any Appraisal obtained by Lender in accordance with the terms of this Section 13.1(i).

(j) Furnishing Information. Borrower shall deliver or cause to be delivered to Lender, within ninety (90) days after the end of each calendar year, (i) with respect to Borrower, an annual financial statement, in a form satisfactory to Lender, audited by an independent, certified public accountant reasonably satisfactory to Lender and (ii) with respect to Guarantor, a personal financial statement, in a form satisfactory to Lender, certified as true and correct by the party to whom it relates. Borrower will also provide monthly and quarterly management prepared financial statements, in a form prescribed by Lender, within 30 days after the close of each calendar month and within 45 days after the close of each calendar quarter, respectively. Within ten (10) days after request by Lender, Borrower shall deliver to Lender the most recently filed federal annual income tax returns with respect to Borrower (U.S. and Mexican). Borrower shall provide such additional financial information as Lender reasonably requires concerning Borrower Parties, but the information about Guarantor shall be limited to an updated version of the net worth letter provided under Section 7.1(l). Upon reasonable advance notice from Lender, Borrower shall permit Lender to review all of Borrower's books and records regarding the development and operation of the Property.

(k) Lost Note. Upon Lender's delivery to Borrower of an affidavit to such effect, Borrower shall, if the original executed Note is mutilated, destroyed, lost or stolen, deliver to Lender, in substitution therefor, a new note containing the same terms and conditions.

(l) Indemnification. Borrower shall indemnify Lender and its officers, directors, employees and consultants (each, an "Indemnified Party") and defend and hold each Indemnified Party harmless from and against all claims, injury, damage, loss and liability, cost and expense (including reasonable attorneys' fees and court costs) of any and every kind to any

persons or property by reason of (i) the operation or maintenance of the Property; (ii) any breach of representation or warranty, default or Event of Default; or (iii) any other matter arising in connection with the Loan, the Improvements or the Property. No Indemnified Party shall be entitled to be indemnified against its own gross negligence or willful misconduct. The foregoing indemnification shall survive repayment of the Debt.

(m) Compliance With Laws. Borrower shall comply with all Laws applicable to the Property, including, without limitation, (i) any requirements imposed by SEMARNAT in connection with its approval of the Project and (ii) Article 225 of the Mexican Income Tax Law.

(n) Furnishing Reports. Upon Lender's request, Borrower shall provide Lender with copies of all inspections, reports, test results and other information received by Borrower which in any way relate to the Property.

(o) Furnishing Notices. Borrower shall provide Lender with copies of all material notices received by Borrower pertaining to the Property, including notices from Governmental Authorities.

(p) Hold Disbursements in Trust. Borrower shall receive and hold in trust for the sole benefit of Lender (and not for the benefit of any other person, including, but not limited to, contractors or any subcontractors) all advances made hereunder directly to Borrower, for the purpose of paying the cost of the Budget Line Item for which such disbursement was made. Borrower will pay all other costs, expenses and fees relating to the acquisition, equipping, use and operation of the Property.

(q) Alterations; Master Plan. Except for the Original Improvements and (if applicable) in accordance with the Plans and Specifications, Borrower shall not make any material alterations to the Property. Borrower shall not make any material changes to the Master Plan (or to the Project) without Lender's written consent; provided, however, that Borrower may, without Lender's consent but on prior written notice to Lenders, adjust the size of each Phase up to an aggregate extent of 5% of its original area.

(r) Cash Distributions. At all times until the Loan (including the Additional Fee) is paid in full, Borrower shall not make any distributions to its shareholders, partners or members.

(s) SRE Permit. Promptly following the execution and delivery hereof, Borrower shall request, on behalf of the Trust, that the Mexican Foreign Ministry issue a permit in respect of the Trust, as more particularly described in Clause Eighteenth of the Agreement (the "SRE Permit"). Thereafter, Borrower shall comply with the provisions of Clause Eighteenth of the Trust Agreement, until such time as the Mexican Foreign Affairs Ministry has issued the SRE Permit.

(t) Title Exceptions. Borrower shall obtain Lender's prior written consent to any homeowners' association agreement, condominium declaration, easement agreement or other agreement that would burden the Property, other than the Permitted Exceptions, and to any condominium or timeshare offering plan pursuant to which Borrower intends to transfer portions of the Property.

(u) Interest Reserve. Borrower will cooperate with Lender in establishing an Interest Reserve if Lender determines that an Interest Reserve is desirable in connection with a Securitization.

Section 13.2 Insurance.

(a) Borrower shall obtain and maintain, or cause to be maintained, insurance for Borrower and the Property as follows:

(i) comprehensive all risk insurance on the Improvements and the Personal Property, including contingent liability from Operation of Building Laws, Demolition Costs and Increased Cost of Construction Endorsements, in each case (A) in an amount equal to one hundred percent (100%) of the "Full Replacement Cost," which for purposes of this Agreement shall mean actual replacement value (exclusive of costs of excavations, foundations, underground utilities and footings) with a waiver of depreciation, but the amount shall in no event be less than the outstanding principal balance of the Loan; (B) containing an agreed amount endorsement with respect to the Improvements and Personal Property waiving all co-insurance provisions; (C) permitting no deductible in excess of \$25,000; and (D) containing an "Ordinance or Law Coverage" or "Enforcement" endorsement if any of the Improvements or the use of the Property shall at any time constitute legal non-conforming structures or uses. In addition, Borrower shall obtain earthquake insurance in amounts and in form and substance satisfactory to Lender in the event the Property is located in an area with a high degree of seismic activity.

(ii) commercial general liability insurance against claims for personal injury, bodily injury, death or property damage occurring upon, in or about the Property, such insurance (A) permitting a deductible acceptable to Lender, (B) to be on the so-called "occurrence" form with a combined limit, of not less than \$2,000,000, (C) to continue at not less than the aforesaid limit until required to be changed by Lender in writing by reason of changed economic conditions making such protection inadequate; and (D) to cover at least the following hazards: (1) premises and operations; (2) products and completed operations on an "if any" basis; (3) independent contractors; (4) blanket contractual liability for all legal contracts; and (5) contractual liability covering the indemnities contained in Loan Agreement;

(iii) Intentionally Omitted.

(iv) at all times during which structural construction, repairs or alterations are being made to the Improvements, (A) owner's contingent or protective liability insurance covering claims not covered by or under the terms or provisions of the above mentioned commercial general liability insurance policy; and (B) the insurance provided for in subsection (i) above written in a so-called builder's risk completed value form (1) on a non-reporting basis, (2) against all risks insured against pursuant to subsection (i) above, (3) including permission to occupy the Improvements, and (4) with an agreed amount endorsement waiving co-insurance provisions;

(v) comprehensive boiler and machinery insurance, if applicable, in amounts as shall be reasonably required by Lender on terms consistent with the commercial property insurance policy required under subsection (i) above;

(vi) umbrella liability insurance in an amount not less than \$25,000,000, with the primary \$25,000,000 on an occurrence basis and the excess \$25,000,000 on an aggregate basis, on terms consistent with the commercial general liability insurance policy required under subsection (ii) above;

(vii) motor vehicle liability coverage for all owned and non-owned vehicles, including rented and leased vehicles containing minimum limits per occurrence, including umbrella coverage, of \$25,000,000; and

(viii) upon thirty (30) days' written notice from Lender, such other reasonable insurance, in such reasonable amounts, as Lender from time to time may reasonably request against such other insurable hazards which at the time are commonly insured against for property similar to the Property located in or around Cabo San Lucas, Mexico.

(b) All insurance provided for in Section 15.2(a) hereof shall be obtained under valid and enforceable policies (collectively, the "Policies" or in the singular, the "Policy"), shall be subject to the approval of Lender as to insurance companies, amounts, deductibles, loss payees and insureds, and shall be enforceable in the United States of America. The Policies shall be issued by financially sound and responsible insurance companies authorized to do business in the state of Baja California Sur and having a claims paying ability rating of "A" or better by S&P or "A2" or better by Moody's. Notwithstanding the foregoing, Lender hereby waives the foregoing rating requirement in respect of ACE Seguros, S.A. provided that upon the consummation of any Securitization or syndication of the Loan, such waiver shall be null and void, whereupon all Policies must be issued by insurance companies in compliance with the foregoing rating requirement. The Policies described in Section 15.2(a) (other than those strictly limited to liability protection) shall designate Lender as loss payee. Not less than thirty (30) days prior to the expiration dates of the Policies theretofore furnished to Lender, certificates of insurance evidencing the renewal of the Policies, accompanied by evidence satisfactory to Lender of payment of the premiums thereunder (the "Insurance Premiums"), shall be delivered by Borrower to Lender. Notwithstanding the foregoing, Lender shall not assert a default for failure to pay Insurance Premiums, provided that (x) there exists no Event of Default and (y) adequate funds for the payment of Taxes and Insurance Premiums exist in the Tax and Insurance Reserve.

(c) Any blanket insurance Policy shall specifically allocate to the Property the amount of coverage from time to time required hereunder and shall otherwise provide the same protection as would a separate Policy insuring only the Property in compliance with the provisions of Section 13.2(a) hereof.

(d) All Policies of insurance provided for by Section 13.2(a) hereof shall name Borrower as the insured and Lender as the additional insured, as their respective interests may appear, and in the case of property damage, boiler and machinery, flood and earthquake

insurance, shall contain a so-called New York standard non-contributing mortgagee clause in favor of Lender providing that the loss thereunder shall be payable to Lender.

(e) All Policies of insurance provided for in Section 13.2(a) hereof shall contain clauses or endorsements to the effect that:

(i) no act or negligence of Borrower, or anyone acting for Borrower, or of any tenant or other occupant of the Property, or failure to comply with the provisions of any Policy, which might otherwise result in a forfeiture of the insurance or any part thereof, shall in any way affect the validity or enforceability of the insurance insofar as Lender is concerned;

(ii) the Policy shall not be materially changed (other than to increase the coverage provided thereby) or canceled without at least thirty (30) days' prior written notice to Lender and any other party named therein as an additional insured;

(iii) the issuers thereof shall give written notice to Lender if the Policy has not been renewed fifteen (15) days prior to its expiration; and

(iv) Lender shall not be liable for any Insurance Premiums thereon or subject to any assessments thereunder.

(f) If at any time Lender is not in receipt of written evidence that all insurance required hereunder is in full force and effect, Lender shall have the right, without notice to Borrower, to take such action as Lender deems necessary to protect its interest in the Property, including, without limitation, the obtaining of such insurance coverage as Lender in its sole discretion deems appropriate. All Insurance Premiums incurred by Lender in taking such action or obtaining such insurance shall be added to the Debt and shall bear interest at the Default Rate.

Section 13.3 Special Purpose Covenants.

(a) The purpose for which Borrower is organized is and shall be limited solely to (i) owning, holding, constructing, selling, leasing, transferring, exchanging, operating and managing the Property, (ii) entering into this Agreement and the other Loan Documents and (iii) transacting any business that is incident, necessary and appropriate to accomplish the foregoing.

(b) Borrower has not owned, does not own and will not own any asset or property other than (i) the Property and (ii) other property necessary for and used or to be used in connection with the Construction, or the ownership or operation of the Property.

(c) Borrower has not engaged in and will not engage in any business other than the business set forth in paragraph (a) above.

(d) Borrower has not entered and will not enter into any contract or agreement with any Affiliate of Borrower, any constituent party of Borrower, any guarantors of the obligations of Borrower or any Affiliate of any constituent party, owner or guarantor (collectively, the "Related Parties"), except upon terms and conditions that are intrinsically fair, commercially reasonable and substantially similar to those that would be available on an arms-length basis with third parties not so affiliated with Borrower or such Related Parties.

(e) Except for the Loan, Borrower shall neither incur nor guarantee any indebtedness (whether personal or non-recourse, secured or unsecured) other than customary trade payables contemplated by the Overall Budget, aged not in excess of sixty (60) days, and unsecured loans from members of Borrower that are subordinated to the Loan pursuant to documentation satisfactory to Lender.

(f) Borrower has not made and will not make any loans or advances (other than customary contract deposits in the ordinary course of business) to any Person and shall not acquire obligations or securities of any Related Party.

(g) Borrower is and will remain "solvent" (within the meaning of Title 11 of the United States Code entitled "Bankruptcy"), and Borrower will pay its debts and liabilities (including, as applicable, shared personnel and overhead expenses) from its assets as the same shall become due.

(h) Borrower has done or caused to be done and will do all things necessary to observe organizational formalities and preserve its existence, and Borrower will not, nor will Borrower permit any Related Party to, amend, modify or otherwise change the partnership certificate, partnership agreement, articles of incorporation and bylaws, operating agreement, trust or other organizational documents of Borrower or such Related Party without the prior written consent of Lender.

(i) Borrower has maintained and will maintain all of its books, records, financial statements and bank accounts separate from those of any other Person and Borrower's assets will not be listed as assets on the financial statement of any other Person. Borrower has filed and will file its own tax returns and will not file a consolidated federal income tax return with any other Person. Borrower shall maintain its books, records, resolutions and agreements as official records.

(j) Borrower will be, and at all times will hold itself out to the public as, a legal entity separate and distinct from any other Person (including any Affiliate or other Related Party), shall correct any known misunderstanding regarding its status as a separate entity, shall conduct business in its own name, shall not identify itself or any of its Affiliates as a division or part of the other and shall maintain and utilize a separate telephone number and separate stationery, invoices and checks.

(k) Borrower will maintain adequate capital for the normal obligations reasonably foreseeable in a business of its size and character and in light of its contemplated business operations.

(l) Neither Borrower nor any Related Party will seek the dissolution, winding up, liquidation, consolidation or merger in whole or in part of Borrower, or the sale of material assets of Borrower.

(m) Borrower has not commingled and will not commingle its assets with those of any other Person and will hold all of its assets in its own name;

(n) Except as provided in the Loan Documents, Borrower has not guaranteed and will not guarantee or become obligated for the debts of any other Person and does not and will not hold itself out as being responsible for the debts or obligations of any other Person.

(o) Borrower shall allocate fairly and reasonably any overhead expenses that are shared with an Affiliate, including paying for office space and services performed by any employee of an Affiliate or Related Party.

(p) Borrower shall not pledge any of its assets for the benefit of any Person, other than Lender.

(q) Borrower shall maintain a sufficient number of employees in light of its contemplated business operations and pay the salaries of employees from its own funds and (to the extent permitted by the Overall Budget) the proceeds of the Loan.

ARTICLE XIV CASUALTY AND CONDEMNATION

Section 14.1 Lender's Election to Apply Proceeds to the Debt.

(a) Subject to the provisions of Section 14.1(b) below, Lender may elect to apply to the Debt, in the Order of Priority, all proceeds of insurance or condemnation (individually and collectively referred to as "Proceeds"), after deduction of all expenses of collection and settlement, including attorneys' and adjusters' fees and charges. Any Proceeds remaining after repayment of the indebtedness under the Loan Documents shall be paid by Lender to Borrower or to whomsoever may be entitled thereto.

(b) Notwithstanding anything in Section 14.1(a) to the contrary, in the event of any casualty to the Improvements or any condemnation of part of the Property, Lender agrees to make the Proceeds available for restoration of the Improvements if (i) no Default or Event of Default exists, (ii) all Proceeds are deposited with Lender, (iii) in Lender's reasonable judgment, the amount of Proceeds available for restoration of the Improvements (together with undisbursed proceeds of the Loan or other security acceptable to Lender deposited with Lender by Borrower for such purpose) is sufficient to pay the full and complete costs of such restoration, (iv) in Lender's reasonable determination, the Property can be restored to an architecturally and economically viable project in compliance with applicable Laws (v) Guarantor reaffirms the Completion Guaranty in writing, (vi) in Lender's reasonable determination, such restoration is likely to be completed no later than three (3) months prior to the Maturity Date, and (vii) in Lender's judgment, following the restoration of the Property, the Loan to Value Ratio shall not exceed 75%.

Section 14.2 Borrower's Obligation to Rebuild.

(a) If Lender does not elect (or does not have the right) to apply the Proceeds to the Debt, as provided in Section 14.1 above, Borrower shall:

(i) Proceed with diligence to make settlement with insurers or Governmental Authorities and cause the Proceeds to be deposited with Lender;

(ii) In the event of any delay in making settlement with insurers or Governmental Authorities or effecting collection of the Proceeds, deposit with Lender such amount as Lender reasonably deems appropriate to insure the timely restoration of the Property;

(iii) If the Proceeds and the undisbursed balance of the Loan are insufficient to keep the Loan in Balance, promptly deposit with Lender any amount necessary to restore the Loan to Balance; and

(iv) Promptly proceed with the resumption of Construction of the Improvements and restore the Property to its former condition.

(b) Any request by Borrower for a disbursement by Lender of Proceeds and funds deposited by Borrower shall be treated by Lender as if such request were for an advance of the Loan hereunder, and the disbursement thereof shall be conditioned upon Borrower's compliance with and satisfaction of the same conditions precedent as would be applicable under this Agreement for an advance of the Loan.

ARTICLE XV TRANSFERS

Section 15.1 Prohibition of Assignments and Transfers by Borrower.

Borrower shall not assign its rights under this Agreement and any purported assignment shall be void. Except to the extent permitted pursuant to Article 16 hereof, Borrower shall not, without first obtaining the prior written consent of Lender (which consent may be withheld by Lender in its sole discretion), suffer or permit (a) any change in the management (whether direct or indirect) of the Property or any part thereof or of Borrower or (b) any Transfer. Notwithstanding the foregoing to the contrary, the following Transfers shall be permitted without the need for any such Lender approval: (i) Transfers to Lender or any other party by reason of Lender's exercise of its remedies under the Pledge Agreements; and (ii) Transfers of direct or indirect ownership interests in Borrower by any of its constituent members as of the date hereof if made to effect bona fide estate planning needs, so long as following any such transfer pursuant to this clause (y), no more than 70% of the beneficial economic interest in Borrower (whether directly or indirectly) has been transferred in the aggregate and Control of Borrower has not changed, provided, further, that in connection with any permitted Transfer pursuant to this Section 15.1, Lender receives: (i) all documentation evidencing the Transfer; (ii) confirmation that such Transfer shall not cause a breach of the representation made by Borrower in Section 3.1(v) hereof, in respect of OFAC, (ii) evidence satisfactory to Lender that the Transfer does not derogate in any way from the liens and security interests created by the Pledge Agreements, or otherwise impair Lender's first priority security interest thereunder (and documentation satisfactory to Lender to remedy the same if Lender determines it is necessary); (iii) an endorsement to the UCC Policy to the effect that, after giving effect to the Transfer, Borrower retains a first priority security interest in the collateral under the Pledge Agreements; and (iv) payment for all out-of-pocket expenses incurred by Lender in connection with its review of the Transfer documentation and the issuance of the endorsement to the UCC Policy. Lender's consent if given in connection with any Transfer request shall not be deemed to be a waiver of

Lender's right to require such consent in the future. Any Transfer made in contravention of this Agreement shall be null and void and of no force or effect.

Section 15.2 Prohibition of Transfers in Violation of ERISA.

In addition to the prohibitions set forth in Section 15.1 above, Borrower shall not permit any Transfer, if such Transfer would cause the Loan, or the exercise of any of Lender's rights in connection therewith, to constitute a prohibited transaction under ERISA or the Internal Revenue Code or otherwise result in Lender being deemed in violation of any applicable provision of ERISA. Borrower agrees to indemnify and hold Lender free and harmless from and against all losses, costs (including attorneys' fees and expenses), taxes, damages (including consequential damages) and expenses Lender may suffer by reason of the investigation, defense and settlement of claims and in obtaining any prohibited transaction exemption under ERISA necessary or desirable in Lender's sole judgment or by reason of a breach of the foregoing prohibitions. The foregoing indemnification shall be a recourse obligation of Borrower and shall survive repayment of the Debt, notwithstanding any limitations on recourse contained herein or in any of the Loan Documents.

Section 15.3 Successors and Assigns.

Subject to the foregoing restrictions on Transfers contained in this Article 15, this Agreement shall inure to the benefit of, and shall bind, the parties hereto and their respective successors and assigns.

ARTICLE XVI
SPECIAL PROVISIONS RE: PARTICULAR PHASES

Section 16.1 Future Opportunities.

(a) Borrower has advised Lender that it may at some time wish to either commence "vertical" improvements or other substantial pre-development improvements not contemplated by the Overall Budget in respect of all or any portion of a Phase. If Borrower wishes to enter into any loan, financing, equity investment, recapitalization, or sale in which Borrower or its Affiliates retain an interest in all or any portion of a Phase (each, an "Opportunity"), Borrower shall promptly notify Lender in writing of all of the proposed material terms thereof. As further consideration for Lender's agreement to make the Loan, if Borrower wishes to enter into an Opportunity: (i) Borrower hereby irrevocably grants Lender the right (without obligation) as hereinafter provided to make the Opportunity as contemplated by Borrower (or its Affiliates), but where any contemplated terms and conditions conflict with the Agreed Terms and Conditions, then in accordance with the Agreed Terms and Conditions, and (ii) if Lender so elects, Borrower shall then enter into the Opportunity with Lender or Lender's Affiliates as required under foregoing clause (i). If Lender rejects the Opportunity in writing or fails to respond to Borrower's notice of an Opportunity within thirty (30) days after Lender's receipt thereof, Lender shall be deemed to have waived its rights to the Opportunity in question. Notwithstanding the foregoing provisions of this Section 16.1, Lender shall not be deemed to have waived any rights to an Opportunity by reason of its failure to respond to Borrower's notice thereof unless such notice states, in capital letters, that Lender's failure to respond thereto in the

time provided shall result in the waiver of its rights. Borrower shall not contact or engage any party (except for a Hotel Operator as provided in paragraph (c) below) other than Lender in connection with an Opportunity unless Lender has theretofore expressly waived (or is deemed to have waived) its rights in respect of such Opportunity (as set forth above) or otherwise consents in writing thereto. A rejection or waiver of a single Opportunity shall not be deemed in any respect to be a waiver of any other Opportunity. If Lender waives (or, as provided above, is deemed to have waived) its right to an Opportunity, then on the closing of such Opportunity, in lieu of requiring Borrower to pay the applicable Minimum Release Price, Lender may elect to subordinate a portion of the Loan equal to such Minimum Release Price upon the terms and conditions set forth in paragraph (b) below and such other terms as Lender may reasonably require. Borrower acknowledges that Lender's agreement to grant Lender a right (without obligation) in respect of each Opportunity constitutes a material inducement to Lender's agreement to make the Loan, and that Lender would not have made the Loan but for such agreement. In the event that Borrower fails to comply with this section, Lender shall be entitled, among other things, to specifically enforce the terms and conditions set forth herein.

(b) If Lender elects to subordinate its interest as set forth in paragraph (a) above, (i) there shall then be no Default or Event of Default, (ii) Borrower shall have closed the third party transactions substantially in accordance with the terms of the Opportunity offered to Lender, (iii) Lender, acting reasonably, shall have determined that, after payment of construction costs and debt service or other payments required in respect of the third party transaction, the net sale proceeds in respect of such Phase shall suffice to repay the Applicable Phase Mezzanine Loan Amount, accrued interest thereon and the Additional Fee payable with respect thereto, (iv) Borrower shall have fully completed the Improvements theretofore approved for such Phase, (v) Borrower shall have theretofore subjected the entire Property (or such portions thereof as Lender shall require) to an REA, (vi) Borrower shall have furnished Lender with an endorsement to the Title Policy, insuring Lender's position as first place beneficiary under the Trust Agreement in respect of the remainder of the Property, subject only to the Permitted Exceptions; (vii) Borrower shall have reimbursed Lender for all fees and expenses (including, without limitation, reasonable attorneys' fees) incurred by Lender in connection with such release, (viii) the Applicable Phase Designee and its members shall have executed and delivered to Lender the Applicable Phase Mezzanine Loan Documents, (ix) the Applicable Phase Designee shall have furnished Lender with an opinion of counsel in form and substance satisfactory to Lender as to (A) the due formation and valid existence of the Applicable Phase Designee and its members (each of which shall be a limited liability company formed under the laws of, or a natural person resident in, a state of the United States of America), (B) the due authorization, execution and delivery of the Applicable Phase Mezzanine Loan Documents by the Applicable Phase Designee and its members, (C) the enforceability of the Applicable Phase Mezzanine Loan Documents, (D) the creation and perfection of the security interests in the collateral covered by the Applicable Phase Mezzanine Loan Pledge Agreements and (E) such other matters as Lender shall reasonably require, (x) Borrower shall have theretofore caused the applicable Phase to be lawfully subdivided, in a manner reasonably acceptable to Lender, for real estate tax, zoning and other purposes required by Laws, (xi) the Applicable Phase Designee shall have furnished Lender with a policy of UCC title insurance, insuring Lender's first priority security interest in the collateral covered by the Applicable Phase Mezzanine Loan Pledge Agreements, (xii) Borrower shall have paid all transfer taxes, trustees fees and other amounts required in respect of the conveyance of the Applicable Phase Designee and (xiii) Borrower shall have caused the third party lender or

investor to enter into an intercreditor or like agreement which is commercially reasonable in form and substance. Upon Borrower's satisfaction of the conditions set forth in clauses (i) through (xiii) above, Lender shall cause Trustee to convey the applicable Phase to Borrower's designee (the "Applicable Phase Designee") or to a trust under which the Applicable Phase Designee is the second place beneficiary (an "Applicable Designee Trust"), whereupon (i) Lender shall be deemed to have made a Mezzanine Loan to the Applicable Phase Designee in the amount of the Applicable Phase Mezzanine Loan Amount and (ii) the principal amount of the Loan shall be reduced, dollar for dollar, by the amount of such Mezzanine Loan. At Lender's option, the Applicable Phase Mezzanine Loan Documents may continue to be governed, to the extent applicable, by this Agreement, or may be governed by a separate Loan Agreement (establishing a separate facility) on the same terms and condition, mutatis mutandis. For purposes of this Agreement, the term "Applicable Phase Mezzanine Note" shall mean a note which is (A) is in the amount of the Applicable Phase Mezzanine Loan Amount, (B) has a maturity date which is the sooner to occur of (x) the maturity, redemption or sooner repayment of the applicable third party loan or investment and (y) the Maturity Date, (C) which bears interest at the Interest Rate (which interest shall be added to the principal amount thereof and thereafter accrue interest in the manner provided in Section 5.1 hereof) and (D) which remains subject to the payment of the Additional Fee at maturity or any acceleration or prepayment thereof. Amounts received in respect of any Applicable Phase Mezzanine Note shall be applied in the Order of Priority.

(c) Notwithstanding paragraph (a) of this Section 16.1, Borrower will not be required to present an Opportunity to Lender if the intended "vertical" improvements or other substantial pre-development improvements referred to in the said paragraph (a) are to be offered first to a Hotel Operator. However, if Borrower and such Hotel Operator shall proceed to enter into a bonafide, joint venture development agreement and seek the release of the lien of the Trust Agreement in order to effect a conveyance to such venture (as an Applicable Phase Designee), then in lieu of requiring Borrower to pay the Minimum Release Price for the Phase to be developed by or with the Hotel Operator, Lender shall have the right to subordinate a portion of the Loan equal to such Minimum Release Price (or such lesser amount selected by Lender) upon the terms and conditions set forth in paragraph (b) above and such other terms as Lender may reasonably require. If the Hotel Operator shall decline to permit a pledge of its interest in the Applicable Phase Designee (so as to provide Lender with the pledge of all equity interests required by Lender for the Mezzanine Loan), then (i) Borrower shall be required to comply with Section 16.2 prior to any conveyance to the Applicable Plan Designee or an Applicable Plan Designee Trust, (ii) Lender shall have an Applicable Phase Opportunity with respect to any debt or equity financing pursued by the Applicable Plan Designee after such conveyance (and upon payment of the applicable Minimum Release Price).

Section 16.2 Minimum Release Prices.

(a) In the event that the Borrower wishes to convey one or more Phases or portions thereof (including single family home lots or villas) to a third party purchaser or purchasers, unaffiliated with Borrower or any Borrower Party, prior to the Maturity Date (as the same may be extended in accordance with the terms hereof), or if Lender shall have waived its right to make a Mezzanine Loan as provided in Section 16.1(a) and Borrower wishes to convey to an Applicable Phase Designee or an Applicable Phase Designee Trust, Lender hereby agrees

that, upon the request of Borrower from time to time, it shall cause Trustee to release the lien of the Trust Agreement from the applicable Phase (or portion thereof) upon the consummation of a bona fide sale or transfer to any such Person, provided that (i) there shall then be no Default or Event of Default, (ii) Borrower shall pay to Lender an amount in respect of the applicable Phase (or lot or other portion thereof) equal to the Minimum Release Price, for application on the next Payment Date in the Order of Priority, (iii) Borrower has theretofore subjected the Property (or such portions thereof as Lender shall require) to an REA, (iv) Borrower shall have theretofore caused the applicable Phase (or lot or other portion thereof) to be lawfully subdivided from the remaining Phases, in a manner reasonably acceptable to Lender, for real estate, zoning and other purposes required by Laws, (v) Borrower (or such purchaser) shall pay all transfer taxes, trustees fees and other amounts associated with the conveyance of the Phase (or portion thereof), (vi) Borrower shall furnish to Lender an endorsement to the Title Policy, insuring Lender's interest as first place beneficiary under the Trust Agreement in respect of the remainder of the Property, subject only to the Permitted Exceptions, (vii) in respect of any conveyance of a lot or other portion of a Phase, Lender, acting reasonably, shall have concluded that such conveyance shall not impair the development of the remainder of the Phases, (viii) Borrower reimburses Lender for all fees and expenses (including, without limitation, reasonable attorneys' fees) incurred by Lender in connection with such release, (ix) if the proposed conveyance is of a lot for an individual, single family home, the applicable contract must comply with the conditions in Section 16.2(b), and (x) Borrower and all Borrower Parties shall have reaffirmed all Loan Documents pursuant to documentation satisfactory to Lender. The term "Minimum Release Price" shall mean (A) for each of Phase B1 (Hotel 1), Phase B2 (Hotel 2), Phase B3 (Hotel 3) and Phase B5 (Village) an amount equal to \$25,000,000, (B) for each lot or other portion of a Phase, an amount equal to 125% of the principal amount of the Loan allocated (by Borrower and approved by Lender) to such lot or portion thereof, and (C) for each of foregoing clauses (A) and (B), the amount payable under each such clause shall not be less than 95% of the fair market value of the property in question, determined by a then current Appraisal (paid for by Borrower); fair market value in such Appraisal to be determined on the basis of the highest and best use of the property in question. Upon Lender's establishment of such amounts, Borrower shall execute and deliver to Lender such instrument as Lender shall require to evidence such agreement. Any amount paid to Lender but not applied (subject to the Order of Priority) to the principal amount of the Loan or any Mezzanine Loan until the next Payment Date shall continue to bear interest at the Interest Rate until the applicable Payment Date.

(b) If Borrower wishes to convey individual, single-family home lots within any Phase to third party purchasers thereof, Borrower may enter into contracts for the sale thereof, provided that, (i) each such contract requires a contract deposit of not less than ten percent (10%) of the purchase price thereunder (which amount shall be payable to Lender, for application in the Order of Priority, in the event of the purchaser's default thereunder), and is otherwise in form reasonably acceptable to Lender and (ii) the purchase price under the contract is not less than an amount proposed by Borrower prior to the sale of any of the lots designated for use as single-family homes and approved by Lender.

(c) If the Net Sales Price with respect to any transaction exceeds the Minimum Release Price, Borrower may retain such excess for use solely in connection with the portions of the Project that remain subject to the encumbrance of the Trust Agreement. Until used as aforesaid, Borrower shall invest such monies as reasonably approved by Lender.

Promptly after the Effective Date, Borrower and Lender shall cooperate in reaching a more detailed agreement concerning the foregoing.

Section 16.3 Opportunities upon Maturity or Sooner Prepayment

The provisions of Section 16.1 hereof shall apply to any Opportunity contemplated by Borrower or any Affiliate of any Borrower Party in respect of the Property upon the maturity of the Loan or any sooner prepayment of the Loan.

**ARTICLE XVII
SERVICER**

Section 17.1 Servicer. At the option of Lender, the Loan may be serviced by a servicer or trustee (the "Servicer") selected by Lender and Lender may delegate all or any portion of its responsibilities under this Agreement and the other Loan Documents to the Servicer pursuant to a servicing agreement (the "Servicing Agreement") between Lender and Servicer. Borrower shall be responsible for any reasonable set-up fees or any other initial costs relating to or arising under the Servicing Agreement. Thereafter, Borrower shall reimburse Lender for the monthly servicing fees payable under the Servicing Agreement ("Servicing Fees"). Borrower shall further reimburse Lender upon demand for reasonable out-of-pocket costs and expenses incurred by Servicer in (i) reviewing Borrower's requisitions for advances of the Loan, (ii) reviewing proposed Leases, (iii) conducting inspections of the Property, (iv) applying the provisions of this Agreement to any casualty or condemnation proceeding affecting the Property, (v) responding to any Default or Event of Default or (vi) otherwise incurred in connection with this Agreement.

**ARTICLE XVIII
EVENTS OF DEFAULT**

Section 18.1 Events of Default.

The occurrence of any one or more of the following shall constitute an "Event of Default" as said term is used herein:

(a) Failure of Borrower (i) (A) to make any principal or interest payment when due or (B) for a period of ten (10) days after written notice from Lender that the same is due and payable, to observe or perform any of the other covenants or conditions by Borrower to be performed under the terms of this Agreement or any other Loan Document (other than the Post Closing Undertaking) concerning the payment of money, or (ii) for a period of thirty (30) days after written notice from Lender, to observe or perform any non-monetary covenant or condition contained in this Agreement or any other Loan Documents (other than the Post Closing Undertaking); provided that if any such failure concerning a non-monetary covenant or condition is susceptible to cure and cannot reasonably be cured within said thirty (30) day period, then Borrower shall have an additional sixty (60) day period to cure such failure and no Event of Default shall be deemed to exist hereunder so long as Borrower commences such cure within the initial thirty (30) day period and diligently and in good faith pursues such cure to completion within such resulting ninety (90) day period from the date of Lender's notice; and provided further that if a different notice or grace period is specified under any other subsection of this Section 18 with respect to a particular breach, or if another subsection of this Section 18 applies

to a particular breach and does not expressly provide for a notice or grace period, the specific provision shall control;

(b) Any Transfer or other disposition in violation of Article 15 hereof;

(c) If any warranty, representation, statement, report or certificate made now or hereafter by Borrower or any Borrower Party is untrue or incorrect in any material respect at the time made or, subject to the provisions of Section 3.2 hereof, deemed remade;

(d) Borrower or any Borrower Party shall commence a voluntary case concerning Borrower or any Borrower Party under the Bankruptcy Code; or an involuntary proceeding is commenced against Borrower or any Borrower Party under the Bankruptcy Code and relief is ordered against the applicable party, or the petition is controverted but not dismissed or stayed within sixty (60) days after the commencement of the case, or a custodian (as defined in the Bankruptcy Code) is appointed for or takes charge of all or substantially all of the property of Borrower or any Borrower Party; or Borrower or any Borrower Party commences any other proceedings under any reorganization, arrangement, readjustment of debt, relief of debtors, dissolution, insolvency or liquidation or similar Law of any jurisdiction whether now or hereafter in effect relating to Borrower or any Borrower Party; or there is commenced against Borrower or any Borrower Party any such proceeding which remains undismissed or unstayed for a period of sixty (60) days; or Borrower or any Borrower Party fails to controvert in a timely manner any such case under the Bankruptcy Code or any such proceeding, or any order of relief or other order approving any such case or proceeding is entered; or Borrower or any Borrower Party by any act or failure to act indicates its consent to, approval of, or acquiescence in any such case or proceeding or the appointment of any custodian or the like of or for it for any substantial part of its property or suffers any such appointment to continue undischarged or unstayed for a period of sixty (60) days;

(e) Borrower or any Borrower Party shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or shall consent to the appointment of a receiver or trustee or liquidator of all of its property or the major part thereof or if all or a substantial part of the assets of Borrower or any Borrower Party are attached, seized, subjected to a writ or distress warrant, or are levied upon, or come into the possession of any receiver, trustee, custodian or assignee for the benefit of creditors;

Section 20.4 Acquiescence Not to Constitute Waiver of Lender's Requirements.

Each and every covenant and condition for the benefit of Lender contained in this Agreement may be waived by Lender, provided, however, that to the extent that Lender may have acquiesced in any noncompliance with any construction or nonconstruction conditions precedent to the making of the Initial Advance or to any subsequent disbursement of Loan proceeds, such acquiescence shall not be deemed to constitute a waiver by Lender of such requirements with respect to any future disbursements of Loan proceeds.

Section 20.5 Disclaimer by Lender.

(a) This Agreement is made for the sole benefit of Borrower and Lender, and no other Person shall have any benefits, rights or remedies under or by reason of this Agreement, or by reason of any actions taken by Lender pursuant to this Agreement. Section 20.11 Jurisdiction.

TO THE GREATEST EXTENT PERMITTED BY LAW, BORROWER HEREBY WAIVES ANY AND ALL RIGHTS TO REQUIRE MARSHALLING OF ASSETS BY LENDER. NOTHING IN THIS AGREEMENT SHALL PRECLUDE LENDER FROM BRINGING A PROCEEDING IN ANY OTHER JURISDICTION, NOR WILL THE BRINGING OF A PROCEEDING IN ANY ONE OR MORE JURISDICTIONS PRECLUDE THE BRINGING

OF A PROCEEDING IN ANY OTHER JURISDICTION. BORROWER FURTHER AGREES AND CONSENTS THAT, IN ADDITION TO ANY METHODS OF SERVICE OF PROCESS PROVIDED FOR UNDER APPLICABLE LAW, ALL SERVICE OF PROCESS IN ANY PROCEEDING IN ANY STATE OR FEDERAL COURT SITTING IN NEW YORK COUNTY MAY BE MADE BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, DIRECTED TO BORROWER AT THE ADDRESS INDICATED BELOW, AND SERVICE SO MADE SHALL BE COMPLETE UPON RECEIPT; EXCEPT THAT IF BORROWER SHALL REFUSE TO ACCEPT DELIVERY, SERVICE SHALL BE DEEMED COMPLETE FIVE (5) DAYS AFTER THE SAME SHALL HAVE BEEN SO MAILED.

Section 20.12 Set-Offs.

After the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably authorizes and directs Lender from time to time to charge Borrower's accounts and deposits with Lender (or its Affiliates), and to pay over to Lender an amount equal to any amounts from time to time due and payable to Lender hereunder, under the Note or under any other Loan Document. Borrower hereby grants to Lender a security interest in and to all such accounts and deposits maintained by Borrower with Lender (or its Affiliates).

Section 20.13 Authorized Representative.

Each Authorized Representative shall deal with Lender on behalf of Borrower in respect of any and all matters in connection with this Agreement, the other Loan Documents, and the Loan. Each Authorized Representative shall have the power, in his discretion, to give and receive all notices, monies, approvals, and other documents and instruments, and to take any other action on behalf of Borrower. All actions by either Authorized Representative shall be final and binding on Borrower. Lender may rely on the authority given to each Authorized Representative until actual receipt by Lender of a duly authorized resolution depriving such Authorized Representative of his authority. No more than two Persons shall serve as Authorized Representative at any given time.

Section 20.14 Non-Recourse Provisions.

The provisions of Article 9 of the Note pertaining to the personal liability of Borrower and its members, officers, directors and employees are hereby incorporated herein by reference.

Section 20.15 Time is of the Essence.

Time is of the essence under this Agreement.

ARTICLE XXIII
GROSS-UP

Section 23.1 Gross-Up

ALL PAYMENTS BY BORROWER HEREUNDER AND UNDER ANY OF THE OTHER LOAN DOCUMENTS SHALL BE MADE FREE AND CLEAR OF AND WITHOUT DEDUCTION FOR ANY PRESENT OR FUTURE TAXES, LEVIES, IMPOSTS, DEDUCTIONS, CHARGES OR WITHHOLDINGS, AND ANY LIABILITIES WITH RESPECT THERETO, EXCLUDING, IN THE CASE OF LENDER, TAXES IMPOSED ON ITS NET INCOME OR CAPITAL AND FRANCHISE TAXES IMPOSED ON IT BY THE JURISDICTION UNDER THE LAWS OF WHICH LENDER IS ORGANIZED OR ANY POLITICAL SUBDIVISION THEREOF (ALL SUCH NON-EXCLUDED TAXES, LEVIES, IMPOSTS, DEDUCTIONS, CHARGES WITHHOLDINGS AND LIABILITIES BEING HEREINAFTER REFERRED TO AS "INCLUDED TAXES"). IF BORROWER SHALL BE REQUIRED BY LAW TO DEDUCT ANY INCLUDED TAXES FROM OR IN RESPECT OF ANY SUM PAYABLE HEREUNDER, OR UNDER ANY ANCILLARY AGREEMENT, TO LENDER (I) THE SUM PAYABLE SHALL BE INCREASED AS MAY BE NECESSARY SO THAT AFTER MAKING ALL REQUIRED DEDUCTIONS (INCLUDING DEDUCTIONS APPLICABLE TO ADDITIONAL SUMS PAYABLE UNDER THIS SECTION) LENDER RECEIVES AN AMOUNT EQUAL TO THE SUM IT WOULD HAVE RECEIVED HAD NO SUCH DEDUCTIONS BEEN MADE, (II) BORROWER SHALL MAKE SUCH DEDUCTION, AND (III) BORROWER SHALL PAY THE FULL AMOUNT DEDUCTED TO THE RELEVANT TAXATION AUTHORITY OR OTHER AUTHORITY IN ACCORDANCE WITH APPLICABLE LAW. BORROWER WILL INDEMNIFY LENDER FOR THE FULL AMOUNT OF INCLUDED TAXES PAID BY LENDER, ANY LIABILITY (INCLUDING PENALTIES, INTEREST AND EXPENSES) ARISING THEREFROM OR WITH RESPECT THERETO, WHETHER OR NOT SUCH INCLUDED TAXES WERE CORRECTLY OR LEGALLY ASSERTED. PAYMENT UNDER THIS INDEMNIFICATION SHALL BE MADE WITHIN 10 DAYS FROM THE DATE LENDER MAKES WRITTEN DEMAND THEREFOR. A CERTIFICATE AS TO THE AMOUNT OF SUCH INCLUDED TAXES SHALL BE SUBMITTED TO BORROWER BY LENDER AND SHALL, IN THE ABSENCE OF MANIFEST ERROR, BE PRIMA FACIE EVIDENCE OF THE AMOUNT DUE BY BORROWER TO LENDER. WITHIN 10 DAYS AFTER THE DATE OF ANY PAYMENT OF INCLUDED TAXES BY BORROWER TO THE APPROPRIATE TAXING AUTHORITY, BORROWER WILL FURNISH TO LENDER EVIDENCE OF PAYMENT THEREOF SATISFACTORY TO LENDER. THE PROVISIONS OF THIS ARTICLE 23 SHALL SURVIVE REPAYMENT OF THE DEBT.

**ARTICLE XXIV
SALE OF NOTE AND SECURITIZATION**

Section 24.1 Cooperation.

Borrower acknowledges that Lender may sell the Loan to a party who may pool the Loan with a number of other loans and grant participations therein or issue one or more classes of Mortgage Backed, Pass-Through Certificates or other securities evidencing a beneficial interest in a rated or unrated public offering or private placement (such sale and/or securitization, a "Securitization"; the securities evidencing such Securitization the "Securities") or syndicate the Loan to one or more third parties. In connection therewith, Borrower agrees to make available to Lender such financial and other information with respect to the Property, Borrower and Guarantor as Lender reasonably requests (collectively, the "Provided Information"). The Securities and/or the Loan may be rated by one or more of the Rating Agencies. Lender may share the Provided Information with the investment banking firms, Rating Agencies, accounting firms, law firms and other third-party advisory firms involved with the Loan or the Securities. The Provided Information may ultimately be incorporated into the offering documents for the Securities or in connection with a syndication and thus such information may be disclosed to various investors. Lender and all of the aforesaid third-party advisors and professional firms shall be entitled to rely on the information supplied by, or on behalf of, Borrower. Lender, at its sole option, may also elect to split the Loan into two or more loans, each secured by liens on the Property, and sell, assign, pledge or otherwise hypothecate one or more of such loans to third parties. Borrower shall cooperate in all such efforts by executing and delivering all such documents, certificates, instruments and other things reasonably necessary to evidence or confirm Borrower's obligations hereunder, provided, however, that in no event shall the Debt or Borrower's obligations hereunder be increased as a result thereof. Upon presentation of paid receipts or invoices therefor, Lender shall reimburse Borrower for out-of-pocket costs (including, without limitation, reasonable legal fees) paid or incurred by Borrower in connection with the performance of its obligations under this Section 24.1.

Section 24.2 Certain Decisions.

Lender agrees that notwithstanding the consummation of any Securitization, Lehman shall remain the sole decision-maker with respect to all requests for consents made by Borrower, which consents pertain to the development of the Project, fulfillment of or changes to the Master Plan or to Construction, the Improvements or any similar matter.

Section 24.3 Loan Components.

Borrower agrees that in connection with any Securitization or syndication of the Loan, upon Lender's reasonable request and at Lender's sole cost and expense, Borrower shall deliver one or more new component notes to replace the original Note or modify the original Note to reflect multiple components of the Loan. Such new notes or modified Note shall bear interest at the Interest Rate and shall otherwise be on the same terms as the original Note. In the event of a prepayment of the Loan, Lender shall be entitled to apply the amount of such prepayment to one or more of the new component notes as Lender in its sole discretion decides.

Section 24.4 Costs.

Lender shall bear all costs and expenses incurred by Lender in connection with any Securitization or syndication of the Loan.

Section 24.5 Conversion of Loan and Creation of Subordinate Debt.

In addition to Lender's options to effect a Mezzanine Loan under Article 16 hereof, Lender shall have the right, at Lender's sole cost and expense, to convert a portion of the Loan into subordinate financing, including, but not limited to, mezzanine debt, subordinate debt or participations in the Loan (collectively, the "Subordinate Loan"), provided that (i) the aggregate principal amount of the Loan and the Subordinate Loan on the date of such adjustment shall equal the aggregate outstanding principal balance of the Loan immediately prior to such adjustment and (ii) the notes evidencing the Loan and the Subordinate Loan shall bear interest at the Interest Rate and shall otherwise be on the same terms as the original Note. Borrower shall cooperate with all reasonable requests of Lender in connection with any such adjustment of the Loan and shall execute and deliver such documents as shall reasonably be required by Lender in connection therewith.

Section 24.6 Securitization Indemnification.

(a) Borrower understands that certain of the Provided Information may be included in disclosure documents in connection with the Securitization, including, without limitation, a prospectus, prospectus supplement or private placement memorandum (each, a "Disclosure Document") and may also be included in filings with the Securities and Exchange Commission pursuant to the Securities Act of 1933, as amended (the "Securities Act"), or the Securities and Exchange Act of 1934, as amended (the "Exchange Act"), or provided or made available to investors or prospective investors in the Securities, the Rating Agencies, and service providers relating to the Securitization. In the event that the Disclosure Document is required to be revised prior to the sale of all Securities, Borrower will cooperate with the holders of the Note in updating the Disclosure Document by providing all current information necessary to keep the Disclosure Document accurate and complete in all material respects.

(b) Borrower agrees to provide in connection with each Disclosure Document an indemnification certificate (A) certifying to Lender certain facts that Lender needs to include in the applicable Disclosure Document, (B) indemnifying Lender (and for purposes of this Section 24.6(b), Lender hereunder shall include its officers and directors), any Affiliate of Lehman Brothers Inc. ("Lehman") that has filed the registration statement relating to the securitization (the "Registration Statement"), each of its directors, each of its officers who have signed the Registration Statement and each Person who controls the Affiliate within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Lehman Group"), and Lehman, each of its directors and each Person who controls Lehman within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act (collectively, the "Underwriter Group") for any losses, claims, damages or liabilities (collectively, the "Liabilities") to which Lender, the Lehman Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon any untrue statement or alleged untrue statement of any material fact contained in such certificate or Provided Information, or

arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated in such certificate or Provided Information or necessary in order to make the statements in such certificate or Provided Information, or in light of the circumstances under which they were made, not misleading and (C) agreeing to reimburse Lender, the Lehman Group and the Underwriter Group for any legal or other expenses reasonably incurred by Lender and Lehman in connection with investigating or defending the Liabilities; provided, however, that Borrower will be liable in any such case under clauses (B) or (C) above only to the extent that any such loss claim, damage or liability arises out of or is based upon any such untrue statement or omission made in such certificate or Provided Information. This indemnity agreement will be in addition to any liability which Borrower may otherwise have. Moreover, the indemnification provided for in clauses (B) and (C) above (and in paragraph (c) below) shall be effective based on information previously provided by Borrower or its Affiliates if Borrower does not provide Provided Information or the said indemnification certificate. Notwithstanding the foregoing, Borrower will not be required to provide personal financial information concerning Guarantor, other than an updated version of the net worth letter required under Section 7.1(l) hereof, for use in a Disclosure Document, and Lender agrees to require a reasonable confidentiality agreement for financial information provided to it under this Section 24.6 from any prospective participant in the Loan, prior to disclosing such financial information to such Person.

(c) In connection with filings under the Exchange Act, Borrower agrees to indemnify Lender, the Lehman Group and the Underwriter Group for Liabilities to which Lender, the Lehman Group or the Underwriter Group may become subject insofar as the Liabilities arise out of or are based upon the omission or alleged omission to state in the Provided Information or any certificate provided under foregoing paragraph (b), a material fact required to be stated in the Provided Information in order to make the statements in the Provided Information or in such certificate, in light of the circumstances under which they were made not misleading and (ii) reimburse Lender, the Lehman Group or the Underwriter Group for any legal or other expenses reasonably incurred by Lender, the Lehman Group or the Underwriter Group in connection with defending or investigating the Liabilities.

(d) Promptly after receipt by an indemnified party under this Section 24.6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 24.6, notify the indemnifying party in writing of the commencement thereof, but the omission to so notify the indemnifying party will not relieve the indemnifying party from any liability which the indemnifying party may have to any indemnified party hereunder except to the extent that failure to notify causes prejudice to the indemnifying party. In the event that any action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled, jointly with any other indemnifying party, to participate therein and, to the extent that it (or they) may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense thereof with counsel satisfactory to such indemnified party. After notice from the indemnifying party to such indemnified party under this Section 24.6, the indemnifying party shall not be responsible for any legal or other expenses subsequently incurred by such indemnified party in connection with the defense thereof other than reasonable costs of investigation; provided, however, if the defendants in any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably

concluded that there are any legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party, the indemnified party or parties shall have the right to select separate counsel to assert such legal defenses and to otherwise participate in the defense of such action on behalf of such indemnified party or parties. The indemnifying party shall not be liable for the expenses of more than one such separate counsel unless an indemnified party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to those available to another indemnified party.

(e) In order to provide for just and equitable contribution in circumstances in which the indemnity agreements provided for in Sections 24.6(b) or (c) is or are for any reason held to be unenforceable by an indemnified party in respect of any losses, claims, damages or liabilities (or action in respect thereof) referred to therein which would otherwise be indemnifiable under Sections 24.6(b) or (c), the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages or liabilities (or action in respect thereof); provided, however, that no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. In determining the amount of contribution to which the respective parties are entitled, the following factors shall be considered: (i) Lehman's and Borrower's relative knowledge and access to information concerning the matter with respect to which claim was asserted; (ii) the opportunity to correct and prevent any statement or omission; and (iii) any other equitable considerations appropriate in the circumstances. Lender and Borrower hereby agree that it would not be equitable if the amount of such contribution were determined by pro rata or per capita allocation.

(f) The liabilities and obligations of both Borrower and Lender under this Section 24.6 shall survive the termination of this Agreement and the satisfaction and discharge of the Debt.

Section 24.7 Rating Surveillance.

Borrower will retain the Rating Agencies to provide rating surveillance services on any certificates issued in a Securitization. Such rating surveillance will be at the expense of Borrower in an amount determined by Lender in its reasonable discretion prior to the occurrence of a Securitization. Such expense will be paid in monthly installments.
